Luke 2:4-7

Hymn # 147                Silent Night

Thank you for Worshiping with us.

May you have a Joyous Christmas as we remember the Gift God has given us in his Son, Jesus Christ. We are reminded that Light has come into the world. Because of the birth of Christ we can have Hope of knowing how much God loves each and everyone of us.

If you are walking in darkness, Christ bids you to walk down the pathway that his Light is shining on. It may not be the pathway we would have chosen but God is the author of life and he knows the best pathway for us. As we close out 2023 there as been good times and troublesome times.

But know this. . . . God is faithful to his promises. We can look forward to what the New Year will bring because God is already there. I hope the new born King of Kings has Lordship in your life. There is no better place to be than right beside the God who created us and has a plan for our life.

Yield to his Will and grasp onto his hand. God will guild us through the good times and will carry us through the difficult times.

Our amazing God Loves with and everlasting Love that cannot be diminished.
